

# RFT

---

WHITEPAPER

# Introduction

---

**Rank Network** is a complete solution for blockchain-based projects. And the aim is to make cryptocurrency easy for everyone.

## What is Rank Token and RFT?

Rank Token is a payment and reward token on the Rank platform such as Rank De-Fi, Rank Gaming, etc.

RFT is token farming platform. Tokens can be staked to mine RFT in a De-Fi platform. With a total 50K total supply our aim to create risk free defi.

## Rewards

Earn 30% APY by staking Rank and earn 25% by staking RFT.

# Token Details

---

*RFT Logo*

Name : Rank Finance Token
